Guidelines for the 115-hr Reflexology Certification Program:

1. You must register with Stephenie Cooke for the certification program. You will be responsible for keeping your current address and contact information updated.
2. Past attendance in Reflexology classes listed above will be “grand-fathered” in as part of this program if no more than 12 months have lapsed by the time you register.
3. Your status in this program is in jeopardy if a class is not taken within a 12-month period. There are changes planned in the minimum educational standards for Reflexology across the nation. *Thus, it is likely that the required number of hours for completion of this course will be raised in 2010.*
4. Class fees and date of offerings are subject to change. You may repeat a class(es) offered by Stephenie Cooke at a 50% discount if you return within 12-months.
5. In order to obtain a certificate, all classes have to be attended, case studies must be presented with a score of PASS, and a practical and final exam must be taken with a score of 75% or better.
6. Payments are expected at the time of class, mentoring, or testing. Most participants pay as they register for each individual class or classes.

Please note: there is no timeline to complete the program. You take classes and participate at your own pace.
